

Retractable Rangehood

SRR-6222W

SALINI

The Salini SRR-6222W Rangehood is great if you love the no-fuss streamlined look.

Hide this genius rangehood under overheads or behind cabinets to compliment the design in your kitchen.

Not only is it stylish, it is also incredibly user friendly. Simply pull out the rangehood shelf and the light and the fan switches on. After use, the rangehood conveniently tucks away. This is the best option for people who don't want to fiddle with lots of buttons and icons.
